

Electronic Payment options for the Quarter-Monthly (Weekly) sales tax filers:

Option 1: Sales Tax payments can be made using a credit card or E-Check (Electronic Bank Draft) online through our website www.dor.mo.gov/tax. All valid quarter-monthly sales tax filers (with account in an active status) can use this system and there is no registration. From the address above, click "Pay Business Taxes Online" and follow the screens. The system will ask for Missouri Tax ID Number, Year, and Month of Payment, Period Number (1–4 for prepayments and 5 for reconciling payment), and the amount of payment. Other payment information will be needed such as name, address, credit card number, or bank routing and account number, etc. The payment will process within two banking days. The postmark date of the transaction is the date the payment is submitted.

Option 2: Pay sales tax using ACH credit through your bank. To make payments through the ACH Credit Payment method, you must make arrangements with your financial institution or service provider to originate the transaction and pay the associated costs. You must work with your financial institution or service provider to ensure that the

required "TXP" tax information is transmitted with the payment, and submit Form 4572, Electronic Filing Trading Partner Agreement prior to sending payments. The file layout booklet (Form 5301) and Form 4572 are located at www.dor.mo.gov/tax/electronic. When the Department has received Form 4572 and a pre-notification test, you will be contacted to verify that the information is correct. The postmark date of the transaction is the Federal Reserve settlement date. Work with your financial institution or service provider to ensure payments are timely.

If you have questions regarding the setup of the electronic payments, please call 573-751-8150.

A paper filing of the Form 53-1, Sales Tax Return to reconcile weekly payments is still required by the monthly due date. For questions regarding filing of the return, please contact 573-526-9831.
